Sexual Assault Incident Occurs

- **Unrestricted Report**
  - Local authorities notified if Felony assault or victim wants to file
  - SARC notified and assigns VA
  - VA provides crisis intervention, non-clinical support, and explanation of reporting options and available resources
  - Completes DD Form 2910
  - Medical care and Sexual Assault Forensic Exam (SAFE)/Line of Duty initiated
  - VA provides ongoing, non-clinical support
  - VA provides ongoing, non-clinical support

- **Restricted Report**
  - SARC reports non-personally identifying information to the commander (Wing/Battalion)
  - VA provides ongoing, non-clinical support
  - Limited reporting: A confidential referral process that may be used if the assault occurred as a civilian on non-duty time, if state laws do not require mandatory reporting of sexual assault. When a limited report is received it is handled in the same manner as Restricted except for the fact that a DD 2910 is not used. The military cannot pay for any services. However, SARC proactively provides referral to local resources.
